Takes you to Shopping List View for that store

Shopping List View

When you have manually added an item a number of times, it will ask you if you'd like to make it a favorite

Creates a new item (first searches all items ever added and offers match as suggestion)

Checkbox to mark off items as you are shopping (marks items complete on all shopping lists)

Pop up that asks for price paid

Takes you to item view (see image & stores and pricing)
